

Inclusion Press

produces user friendly books, videos and CD's to help create a world where 'everyone belongs'.

This CD is a summary of 15 years of learning, creating and collaborating between John O'Brien, Marsha Forest and Jack Pearpoint. The collection of Person Centred Strategies includes approximatetly 70 tools developed by the trio to assist you to deal with change in your family or organization.

Ready to print, there are 180 overheads by Jack Pearpoint. 30 new video segments, four slide shows and 18 articles highlight many of the tools which are explained with text and graphics in hundreds of 'screen' pages.

The CD is user friendly. You do it your way. The tools are generic and are 'field tested true' by thousands of people on 5 continents.
