

Gervase Anthony Leyden

19/09/1939 – 7/10/2015

*Some people come into our lives and quickly go
Some stay awhile,
Leave footprints on our hearts,
And we are never, ever the same.*

*As long as we can love each other,
And remember the feelings of love we had,
We can die without ever really going away.*

All the love you created is still there.

All the memories are still there.

You live on – in the hearts of everyone you have touched

And nurtured while you were here.

Death ends a life, not a relationship.

- Morrie Schwarz

Farewell to Gerv, by placing a flower from the vase on his coffin as we leave.

Always remember, life is not measured by the number of breaths we take, but by those moments that take our breath away.
